

How do I locate WIC clinics near me?

1. Before or after logging in, select the 'WIC Clinics' tab from the side bar menu.
2. Type your address in the search bar and select how far away the clinic can be and push the 'Search' button.
3. Scroll to the right to view the clinic distance from your address, clinic address, and phone number.
4. You can print the list of nearest clinics or select one clinic to view a map of its location and distance from you.
